If there are six players, use the full deck.

For five players, use 5 complete sets of accessory cards. (40)

For four players, use 4 complete sets of accessory cards. (32)

Card Game

The Play:

Look through and organize your cards.

Decide which ones you want to keep and which ones to pass.

(Remember: you just need one of each fancy accessory to win.)

Let the youngest player go first. The player passes one card to
the player to the left.

Play continues in this manner...
the faster the pace, the fancier the fun and excitement.

Card Game

Strategy:

Keep the cards you need. But remember: Don't pass a card
that another player may need. Always consider what cards
the other players need to win.

Winning the Game:

The first player to have a complete set of fancy accessory
cards shouts, "Voila!" You win!
