# THE LOST CITY OF ATLANTIS

The secret scroll of Atlantis – key to the treasure! Time unceasing – again day, again night – the world continues turning, tidal waves crash, volcanoes erupt on beautiful **ATLANTIS** – now burning. In the **TEMPLE OF POSEIDON**, the ancient **SCROLLS** are hidden. But when the waves smash with fierce and unrelenting force, quickly the treasure is moved to the Temple of the **SEA HORSE**. The primeval force surges, trapping us in its raging hell. Razed is the Temple of the Sea-Horse, but the treasure is saved to the Temple of the **SHELLS**. Lightning! Wind! Fire! The earth cracks – we must not fail! The treasure, the ancient **SCROLLS** escape in the belly of the **WHALE**. The leviathan soars to the shores **OF THE NILE** and our story is saved. In **MIRROR** reflection, **PLATO** reveals the legend to the world – the treasure of Atlantis.
