 - a. If Team 1 answers correctly, they move their playing piece ahead the number of footprints shown on the die.
 - b. If Team 1 does not answer correctly, they do not move their playing piece and Team 2 moves their playing piece ahead the number of footprints shown on the die.
3. Play passes to the left.

(NOTE: Many Worst-Case Scenario Survival situations have more than one correct answer, but only one possible correct answer is presented on each card.)
