

My First Scavenger Hunt For Kids

Rules

How to Play

The goal of My First Scavenger Hunt® is to find the objects on the cards. To play, shuffle the deck and select a card. Show the card to the players and ask them to search for the object nearby and bring it back. After the players find the object, select a new card and play again!

Clean Up

After playing several cards, challenge the players to see how fast they can put everything they found back where it belongs. To make cleanup the most fun, say "GO!" and then start slowly counting down from 30. Keep a record of the fastest clean up times.

Variations

- Place 3 cards on the table. Challenge the players to try to find all 3 objects as fast as they can.
- Select 1 card from the deck. Challenge the players to find as many examples of the object as they can in 30 seconds.
