

I SPY® TRAVEL CARD GAME RULES

Have you a stop sign? A blue car too? I spy a fun time while traveling for you! This is a seek and find card game for 1 to 4 players, ages 3 and up.

CONTENTS: 60 cards. 

OBJECT OF THE GAME: Be the first player to discard five cards to win!

Dear parents and caregivers: when not behind the wheel, review the cards with all players to be certain each player can name the sought-after object.

GETTING READY TO PLAY: Shuffle the deck and deal each player five cards. Put the remaining cards back in the box. 

PLAYING THE GAME: The goal of the game is to find the objects on your cards. Every time a player finds an object, he or she yells it out and shows the card to the other players. If everyone agrees the object has been found, the player places the card into his or her own discard pile and selects another card from inside the box without looking. It's fun when players can choose any card, not just the top one in the deck. *(Note: all objects must be found outside the car the player is riding in.)* 

THE END OF THE GAME: The first player to discard five cards wins!
